Letter of Appreciation

On behalf of HRDC, the only program of the Friends of the Disabled (FoD), dealing with children with physical disabilities for over 27 years, I would like to extend my heartfelt appreciation to *ASF M e.v, Ausdauersportfuer (club) Menschlichkeit, Goettingen, Germany* for donating sum of Euro 4000.00 (in words: Euros Four thousand only) to HRDC. I also would like to express my sincere thanks to the runner joining in the sports events- "Brocken challenge".

We promise you that the sum will be used for underprivileged children's treatment and rehabilitation procedure.

Thank you for your support in the right cause.

Sincerely,

Prof. Dr. Babu Kaji Shrestha
